

# HAPPY SPRING to our Timber Trails Resort Family

This winter was cold and there was a lot of snow. Best year for snowmobiling in a long time! We kept busy with small projects in several cabins and the Lodge. Tom & I actually took a real vacation this winter and went on a Caribbean Cruise with our daughter and her family. We also found out our son and his wife are expecting in August, Grady will have a little sister! This makes grand baby #4!!

Hailey 4, Grady 2, Kylie 1 ½

Ready for a fun packed weekend in the cities with Nana, Grammy, and Mommy & Mommy. Build a Bear, Aquarium and Pool time!! A new tradition I hope!

## FUN \* FAMILY \* FISHING

With the long cold winter, we did not think there would be an opener; a foot and a half of snow still on the ground two weeks before opening. Well, May 5<sup>th</sup> the ICE OUT was official.

That left us 6 days to do 6 weeks of prep and we did it. Window Washing, Carpet Cleaning, Cabin Cleaning, Docks In, Bait Station Open, Ice Machine up and running, Water on to the Cabins and Campground, Shower House Open, clothing ++ deliveries, Ice Cream ..... WOW!

This spring we have installed TV's in all the cabins with Blue Ray players. Be sure to check out the extensive DVD collection in the Game Room.

Ducks Unlimited received a face lift inside with an update on all the electrical and painting the walls and cabinets. Looks much *brighter* now (pun intended).

The trailer in front of Antler Ridge has been moved into the campground this spring as well. This has opened up the view on that side of the resort immensely. We plan on putting a Shuffle Board Court where the trailer used to be.

We have also added some outdoor games for hours of fun – stop by the game room when you are here and check them out. What do you think about Archery as one of our new scheduled Activities?

We are so ready to greet everyone that is returning and welcome our new guests as well. Be sure to follow us on Facebook and check our website for openings if you have not planned your getaway yet- there is still time.!

Happy Spring,

Tom & Kathy
